

The SEGRETTO range

... high fidelity speakers
concealed within
the wall or ceilings

living spaces
without clutter

**Stunning . . . inspiring . . .
breath-taking . . . elegant . . .**

Create the living space you desire without the clutter of speaker boxes or the distraction of speaker grills. SEGRETTO speakers provide a clean canvas to create inspirational designer spaces filled with incredible sound.

■ **Invisible sound exceptional quality**

Using the latest vibration technologies SEGRETTO provides exceptional voice and acoustic reproduction bringing a new dimension to your listening experience.

The superb sound of SEGRETTO creates perfect intimacy at low volumes with the versatility of concert quality at higher volume levels.

■ **The SEGRETTO Advantage**

SEGRETTO provides wide sound dispersion throughout the room across all frequencies.

Unlike traditional speakers that need to be focused to the listener's favourite position, the SEGRETTO advantage makes your whole room the sweet spot.

■ **Clean sound where you want it.**

With an integral sound dampened enclosure SEGRETTO minimises sound emissions to adjoining rooms.

■ **Quality and affordability**

The SEGRETTO range is hand assembled using quality components and carries a 5 year warranty to guarantee peace of mind.
